

Bremer Silvester Open 2021

more information

phone: (+49) 0172 4367945
e-mail: info@imperialchess.org

Covid-19 note Only players who meet the 2G requirements are eligible to participate (see hygiene concept). Please read the hygiene concept carefully before you register for the tournament!

Arrival / Parking The ACHAT Hotel Bremen City is only 450m away from Bremen's main train station and the quickest way to get there is by foot. The red line on the adjacent picture shows the footpath.

The hotel offers car parking spaces at € 15 per day. However, these can not be reserved, as there is a limited number of spaces. Alternatively, there is a public parking garage next to the hotel (CONTIPARK Parkhaus, Hillmann Straße) which costs € 12 per day. Please contact the reception upon arrival to check if there are still free spaces available in the hotel garage.

Catering Lunch cannot be provided at the hotel; drinks can be purchased at the hotel bar if needed. The consumption of alcoholic beverages is not permitted in the entire play area.

Accommodation The ACHAT Hotel Bremen City offers the following conditions to participants of the tournament by giving the keyword **IC_BSO2021** by phone or e-mail until four weeks before arrival:

Single room € 74,00
Double room € 91,00

The prices are per night, excluding breakfast. Breakfast will be charged at € 17,00 per person/day.

Prize groups The youth prize wins the best player born in 2003 or later.
The women's prize wins the best female participant.
The senior prize is won by the best player born in 1961 or earlier.
The newcomer prize will be awarded to the player with the largest difference between start- and endposition.

Prize-giving In a shared 1st place on points and no clear winner by the direct comparison, a tie-break is played, which determines the winning of the trophy, the 1st place and thus also the title of the tournament winner.

	criteria for placement	criteria for pricegiving		
1	number of points	number of points		
2	direct comparison	pricegiving by Hort-system:		
3	Buchholz	placement	Buchholz	progress evaluation
4	progress evaluation	50%	25%	25%
5	same placement			

The number of prizes determines the number of prizeholders.
With five main prizes, the ranked sixth would not be involved in the fifth main price, despite the same score (but lower Buchholz).

Tie-break The tie-break is played in two games with a short time control (10 min + 5 sec). If this does not produce a winner, an armageddon game (5 min vs. 4 min) will be played.

Registration It does not require registration at the venue itself.
We expect the players, who registered on our homepage, transferred the entry fee and made the registration binding. We kindly ask those who fall ill, are stuck in traffic, or otherwise fail to be punctual at the venue to let us know - this is best done by phone (see above).

Entry fee GM's, IM's, WGM's and WIM's receive the provisional entry fee at the beginning of the tournament. A refund of the entry fee is not possible without deregistration until December 27, 2021 at 9.00 a.m.

FIDE IDcode To participate in our tournament a personal FIDE-ID is mandatory. A tournament, in which not all players have a FIDE IDcode, can not be evaluated ELO (international rating). If no FIDE IDcode is assigned to you, please contact the tournament directorate immediately so that we can apply for it.

Smoking Smoking is not permitted in the ACHAT Hotel Bremen City. There is a smoking area at the main entrance to the building. Please keep a distance of 1.5 meters from each other even while smoking
