Criteria for placement

1	number of points
2	direct comparison *
3	progress rating
4	Buchholz
5	same placement

In the event of a tie, prizes will be awarded according to the Hort system. The number of prize winners is determined by the number of prizes, so that the sixth-placed player will not receive a prize even if there is a tie. If first place cannot be decided by the number of points or direct comparison, a tiebreaker will be played to determine the ranking and the winner of the trophy.

tie-break

The tie-break is played as an Armageddon game (5 min vs. 4 min). If there are more than 2 players, the tournament organizer reserves the right to make changes.

There is no need to register at the venue itself.
